SIR,

I Beg you will be pleaſed to inform my Lords Commiſſioners of the Admiralty, that this Morning, having been informed by Captain Price, that ſome Part of the Enemy's Convoy, conſiſting of Two large Sloops, were attempting to make their

Escape from the Mouth of the River Isigny, and proceeding along Shore to the Eastward, I lost no Time in giving Chace, having in Company the Sparkler and Force Gun-Brigs. The Enemy finding themselves so hard pressed, and no Probability of Escape, run themselves on Shore in the Bay of Grand Camp, commanded on both Sides of the Entrance by heavy Batteries, which I attacked for near an Hour, and was ably assisted by Lieutenant Stephens, of the Sparkler, and Lieutenant Tokeley, of the Force, covering Lieutenant Gregory, of the Wolverene, with the Cutter and Jolly Boat with a Party of Marines, who gallantly boarded the largest Vessel, under the Fire of Three Field-Pieces, and near Two Hundred Men with Musquetry within Half Pistol-Shot of the Shore, and set her on fire, and otherwise disabled her. The other was so completely shot through as to stop her further Proceedings.

I am happy to have it in my Power to inform their Lordships, that neither the Vessels or Men suffered any Thing, excepting Three of the Wolverene's, who were a good deal burnt on board the Sloop by an Explosion of Gunpowder. The Enemy lost Four Men killed on the Beach.

I am, Sir, &c. &c. &c.

JOHN WIGHT.

Admiralty-Office, August 23, 1800.

Copy of a Letter from Captain Durham, of His Majesty's Ship Anson, to Evan Nepean, Esq; dated Gibraltar, 27th June 1800.

SIR,

I Beg you will be pleased to inform my Lords Commissioners of the Admiralty, that this Morning, at Daylight, I discovered a large Convoy, between Forty and Fifty Sail of different Descriptions in the Straits of Gibraltar, I immediately got under weigh and gave Chace; on our Approach they got under the Batteries, where they were covered by Twenty-five Gun Boats, who, together with the Forts, very much annoyed us; notwithstanding, with the Assistance of Two Gibraltar Row-Boats, we captured Eight, one of which was afterwards retaken; they prove to be Spaniards, bound from Malaga to Cadiz.

I have the Satisfaction to inform their Lordships, that I have this Moment returned to my Anchorage with the Prizes.

I feel much obliged to Captain Hay, of the Constance, for his Disposition of the Armed Boats, which, had it been calm, would have rendered our Success much more complete.

I am, &c. &c. &c.

P. C. DURHAM.

Copy of another Letter from Captain Durham, of His Majesty's Ship Anson, to Evan Nepean, Esq; dated Gibraltar, 30th June 1800.

SIR,

I Have great Satisfaction to inform my Lords Commissioners of the Admiralty, that last Night I had an Opportunity of cutting off Two of the Spanish Gun Boats (the Gibraltar and Salvador,) who had been for several Days a very great Annoyance to my Convoy; they are fine Vessels, commanded by King's Officers, mounting Two Eighteen-Pounders in the Bow, and Eight Guns of different Dimensions, manned with Sixty Men; they defended themselves very gallantly, and I am afraid have lost a Number of Men.

I am, &c. &c. &c.

PORTLAND.

And, as a further Encouragement, a Reward of ONE HUNDRED POUNDS is hereby offered to any of them who ſhall diſcover the Perſon who ſet fire to the ſaid Wood, and the further Reward of ONE HUNDRED POUNDS to any Perſon concerned in writing the ſaid Paper, (except as is before excepted,) to be paid on the Conviction of any one or more of the Offenders, by John Needham.
